

NHHS STUDENT'S REFLECTION

What mistakes have I made that are not environmentally friendly?

- On the air conditional with the temperature lower than 25°C
- Printing only on paper single-sided
- Throwing away plastic bags given by supermarkets
- Leaking tap in the toilet
- Only use one side of paper then throw away
- Use tissues in toilet without consideration
- Not switching off appliances when not use.

What specific improvements can I make?

- Term 2
- Set my air - conditional at 25°C
 - Replace leaking tap in the toilet.
 - Switch off appliances when not in used.
- Term 3
- Printing only on single-sided paper
 - use two sided of paper fully.
- Term 4
- Recycling plastic bags given by supermarkets
 - Use tissues in toilet with care

Save Paper:

- 1) Print only when necessary
- 2) Use both side of paper
- 3) Recycle newspaper

Reduce, Reuse, Recycle:

- 1) Ditch disposables, bring back the lunchbox!
- 2) Using reusable containers, mugs and cutlery when taking away food cuts down on waste generated.
- 3) Bring your own reusable shopping bags to reduce the use of plastic bags.
- 4) Choose items with less packaging.

Energy:

- 1) Switch off all unused appliances
- 2) Switch to renewable energy sources

SUGGESTED PLEDGES
